"It always seems impossible until it is done." - NELSON MANDELA

It's a glorious moment that swells our heart with pride as our two Rawalians Rohit from class XII and Drishti from class IV bring laurels home and scale new heights.

Drishti bagged Gold Medal and Rohit won Bronze Medal in the **International Karate Championship** held in Nepal recently. Rohit is also selected for Greece Open Tournament held in June and another feather in the school's achievement is that he is selected in Merchant Navy too. When asked Rohit said, "It all started during Lock Down when I wanted to channelise my energy in some productive work, my hobby paved a way to this success." In the array of achievements Rohit has won 11 times District, two times State, three times National and this time International championship by so far. The School Management, Principal and Vice-Principal extend heartiest wishes to the ingenious learners for all their future endeavours.
